Education

Dr. Babasaheb Ambedkar Technological University

B.tech

2024-2028 | CGPA: 7.66

PVP college

2023-2024 | Percentage: 50%

Aadarsh Madhyamik school

2022 | Percentage: 85.00%

Projects

Notes Sharing Platform | GitHub | | 2024-2024

- Developed a web-based platform for uploading and sharing study notes digitally. Implemented user login and authentication features for secure access. Enabled users to upload, download, and manage notes efficiently. Designed responsive and user-friendly webpages for better accessibility.

Tech Stack: Frontend: HTML, CSS, JavaScript Backend: PHP Database: MySQL Tools & Platform: VS Code, GitHub, XAMPP

Network Traffic Analyzer | GitHub | | 2025-2026

- Developed a tool to monitor and analyze network traffic in real time. Implemented packet capturing and traffic monitoring features for network analysis. Detected unusual network activity to improve system security and performance. Displayed network statistics and data usage through an interactive interface. Enhanced troubleshooting and monitoring of computer network performance. Improved understanding of networking protocols and packet transmission.

Tech Stack: Programming Language: Python Libraries/Tools: Scapy, Wireshark Database: SQLite (optional if used) Platform & Tools: VS Code, GitHub Concepts: Networking, Packet Analysis, Traffic Monitoring

Experience

Network Analyst Cybersecurity Intern | caliber infotech | 2months

Technical Skills

Languages: C , C++ , Java , PHP , HTML , CSS

Tools: vs code , eclipse

Course Work: Hotel Managment System

Achievements

- Completed Web Development Internship at Caliber Infotech ♦ Developed Online Voting System and Bus Ticket Booking System projects Built responsive web applications using HTML, CSS, JavaScript, PHP, and MySQL Participated in technical workshops and coding activities Strong problem-solving and teamwork skills Quick learner with passion for software development
-

Certifications

- Workshop Certificate (Uttirna)
